Part 1 is for your personal reference—a reminder of your plan for stewardship in 2022. Please return the second and third parts to the parish treasurer.

Part 2 (offering time and talents & your interest in Christian formation) will be given to the priest and vestry, to let them know about your interest in continuing and new activities and programs at Saint James.

Part 3 (your financial pledge) is held in confidence and used by the parish treasurer to estimate the financial resources available to the church.

Your response by December 31, 2021 will be most helpful.

Thank you!

Part 1: a note to myself

For it is as if a man, going on a journey, summoned his slaves and entrusted his property to them; to one he gave five talents, to another two, to another one, to each according to his ability.—

Matthew 25:14-15

What is a talent? Today we think of talents as personal abilities or special skills. In Jesus' day, a talent was an amount of money worth more than 15 years' wages for a laborer. Five talents were worth a lifetime of labor—82 years!

Money, time, and our abilities are placed into our stewardship by God. As in Jesus' parable of the talents retold by Matthew, God does not endow us all equally, yet *all* our talents are to be invested wisely, bearing fruit, and not hidden away.

This year I will search for buried treasure—hidden talents of all kinds. I will bring out those talents, dust them off, and invest them so that they may bear fruit.

My 2022 Stewardship Pledge includes:
